Ellen:

With respect to Danny that makes sense. But I for one would still like to have some time at SOBO to hear what changes, if any, have been made in street operations.

Thanks

Bob,

RE: February 1 SOBO Committee Meeting

I think for the purposes of the SOBO meeting, it makes sense to let everyone know that the BID is responding to the event by reviving the Neighborhood Watch. Danny/LAPD will be very involved at the first Neighborhood Watch, and I'm just wary of asking them to duplicate their efforts. Thoughts?

Do you think we can get our SLO, Danny ?, to show up and talk in generalities about crime in SP and what LAPD is doing, or not doing?

Ok. We've been talking to LAPD about restarting a neighborhood watch and we can say about that at SOBO. Ellen should be reaching out to the board about this today.

In light of the recent unpleasantness I think carving out some time to talk about clean/safe and all that entails may be useful.

Thanks Laronnia!

Ellen – Below is what I would suggest for SOBO agenda. Let me know what you think and what additions you might have.

- * South Park Walkability (Pico Station) Update (Not sure if you wanted the committee to recommend approval of the Metro MOU and construction budget to the board or not – let me know)
- * Pico Grade Separation Presentation
- * East-West Transit Line Presentation
- * Green Alley Update
